Overview

Tatianna Brannen is passionate about delivering client-centric service and taking a personal approach to counseling clients. She says it is one of the main reasons she chose to start her law career at the Griffith Davison firm.

Because of her strong interest in matters relevant to the construction industry, Tatianna's practice will focus on commercial litigation serving the firm's construction clients.

Tatianna graduated from Baylor University School of Law in 2019. While completing her Juris Doctor degree, Tatianna served as a Law Clerk at two different firms and completed an internship under Managing Counsel at Balfour Beatty Construction. She is also a Certified Mediator.

Outside of the firm, Tatianna enjoys being outdoors, working out, and traveling.
